We need YOUR help in protecting the successful future of the independent agency system. Big "I" grassroots network provides a fast and effective way for you to participate in the legislative process.

When you submit your contact information the IIABAZ will only alert you when your legislators are voting on important legislation. This will allow you to contact them within minutes when we most need your support. The system provides legislators the ability to hear the voices of their constituents and vote accordingly.

All information you provide to the Independent Insurance Agents and Brokers of Arizona will remain private and confidential. It will not be sold or distributed to others under any condition. We will not use this email or address for any other reason, and will limit our notices to only critical issues.
